

PRIOR LEARNING COURSE OUTLINE FORM

Course: **Science 9**

		Completion/TARGETS
UNIT 1		25%
Chemistry	<ul style="list-style-type: none"> • Elements & Period Table • Arrangement of electrons from compounds • Whmis 	
UNIT 2		25%
Biology	<ul style="list-style-type: none"> • mitosis • different forms • meiosis • human sexual reproduction 	
UNIT 3		25%
Electricity	<ul style="list-style-type: none"> • circuits — must be complete for electrons to flow • voltage, current, and resistance 	
UNIT 4		25%
Systems	<ul style="list-style-type: none"> • effects of solar radiation • matter cycles • sustainability of systems • First person knowledge interconnectedness and sustainability
